1. Select **Sample Now**
2. Enter sample word: **TXWL18**
3. Complete the form 
4. Write down **Username** and **Password**
5. **Bookmark** the login page for easy return 

1. Upon Login: **Find Your Course**
2. Select **Go to Online Textbook**

Use the top navigation to explore
your eBook and digital tools.

Quickly access content

View teacher and
student resources
by unit or lesson level.

Manage your classes

Set up and manage
classes with ease.

View assessment data

Track progress and
mastery directly from the
Teacher Dashboard.

Language takes you there....

and digital tools make it easier then ever for
you to give your students seamless access
to the **remarkable culture, relevant
instruction,** and **real interaction** in
iAvancemos!

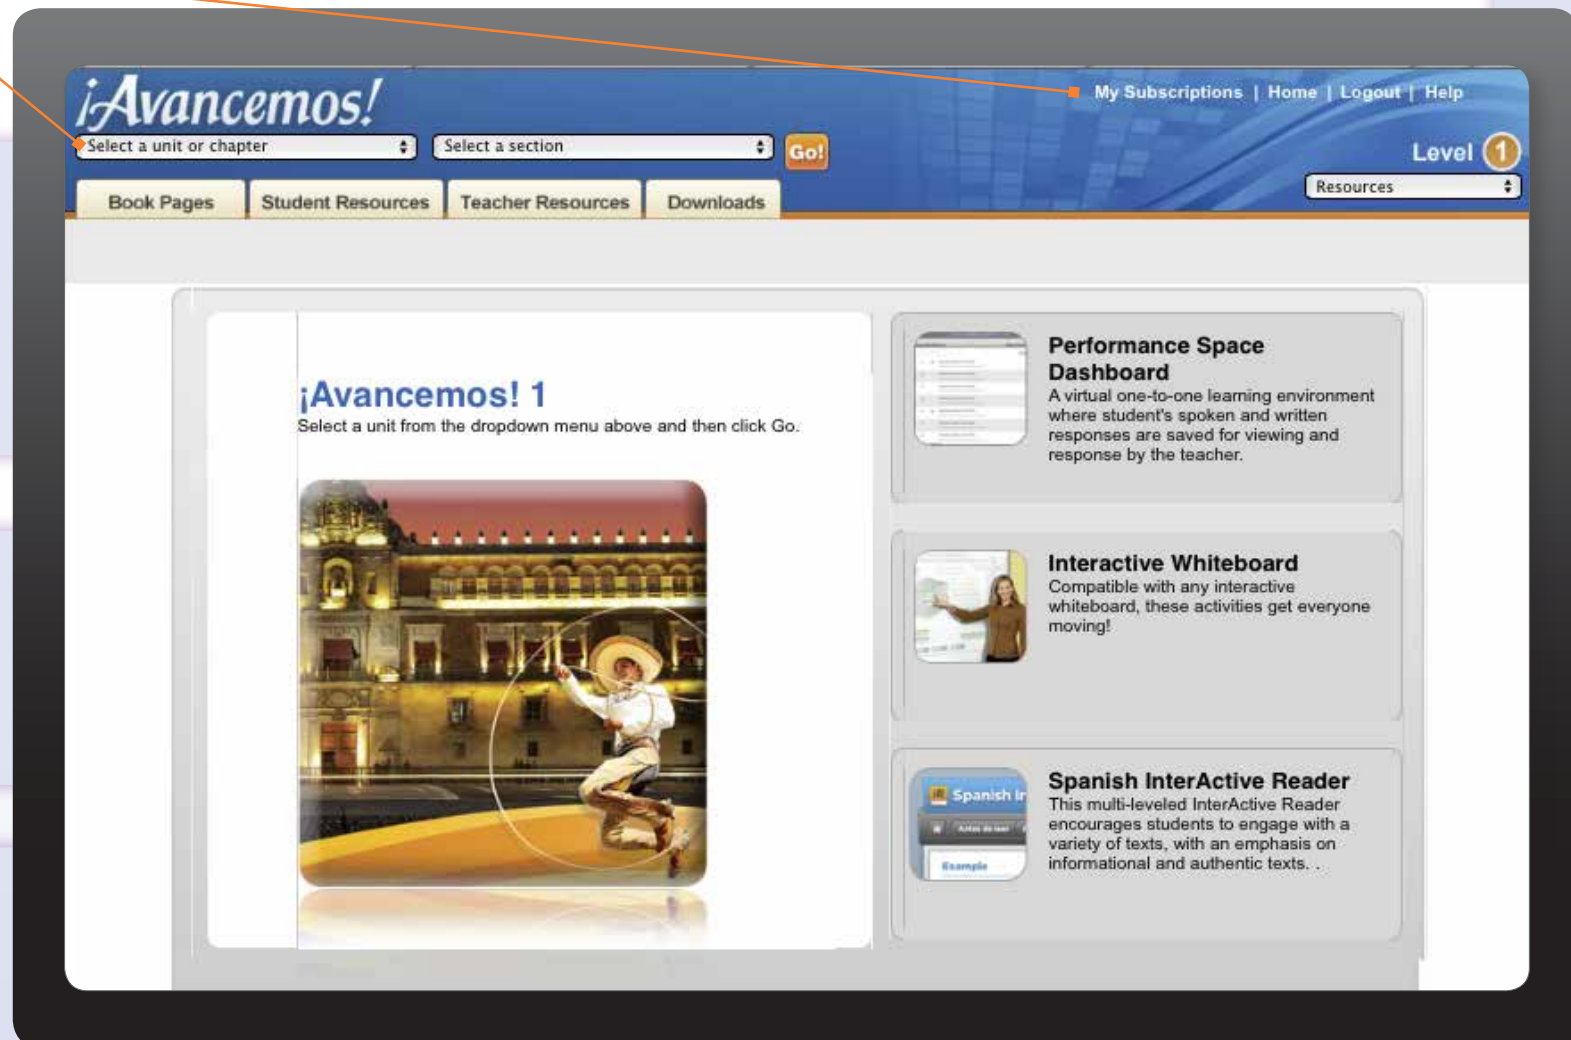

TIP To return to the main
★ **My Subscriptions** page,
select **My Subscriptions** in
the top right corner.

Immerse students in **culture**

Keep students
engaged with videos,
articles, and activities.

Build language proficiency

Meet the needs
of all language
learners with leveled
activities.

Immerse students in the **culture** through engaging videos, articles, and current events.

Updated throughout the school year, **News and Networking** provides authentic cultural videos, age-appropriate articles, and activities.

Coming soon!

A new and exciting site to access current, curated, and continuously updated content to engage students in cultures from around the world.

Students can leave comments on articles. **Mi página** captures all of those comments in one place.

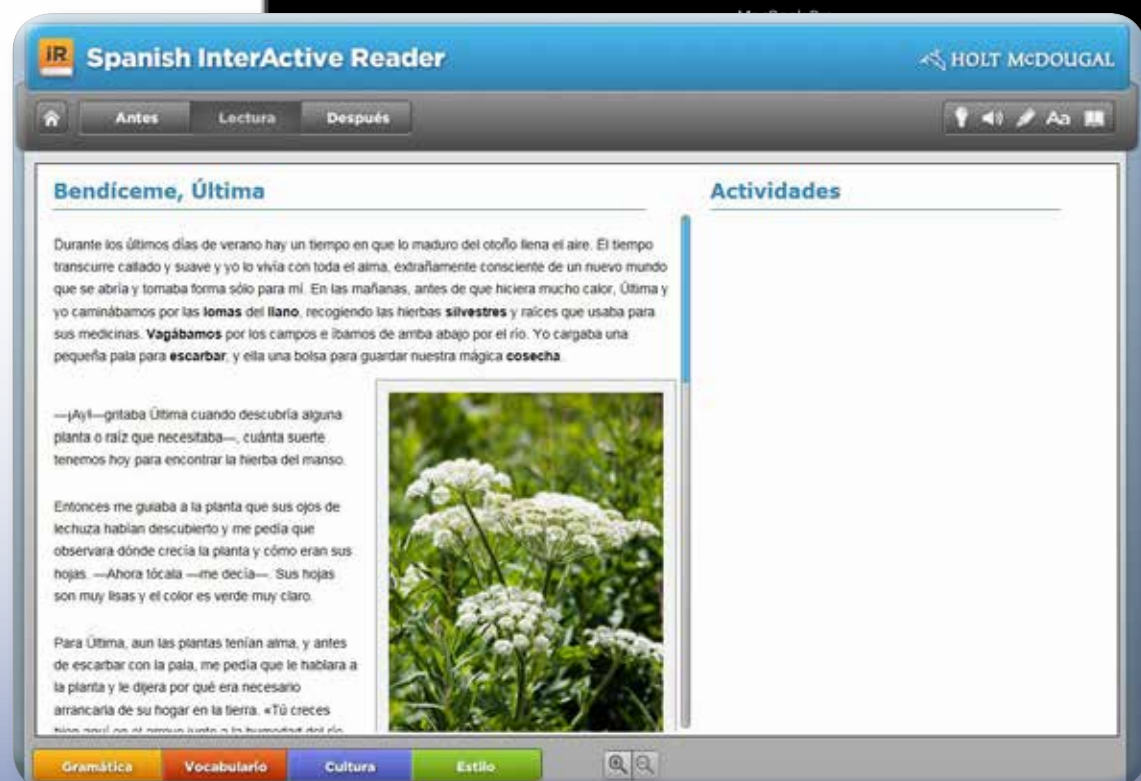

Cultura Interactiva video and audio clips, provided at point of use in the eBook, take students beyond the book to experience the culture.

Help all students build **language proficiency**.

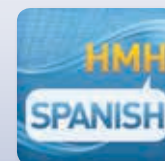

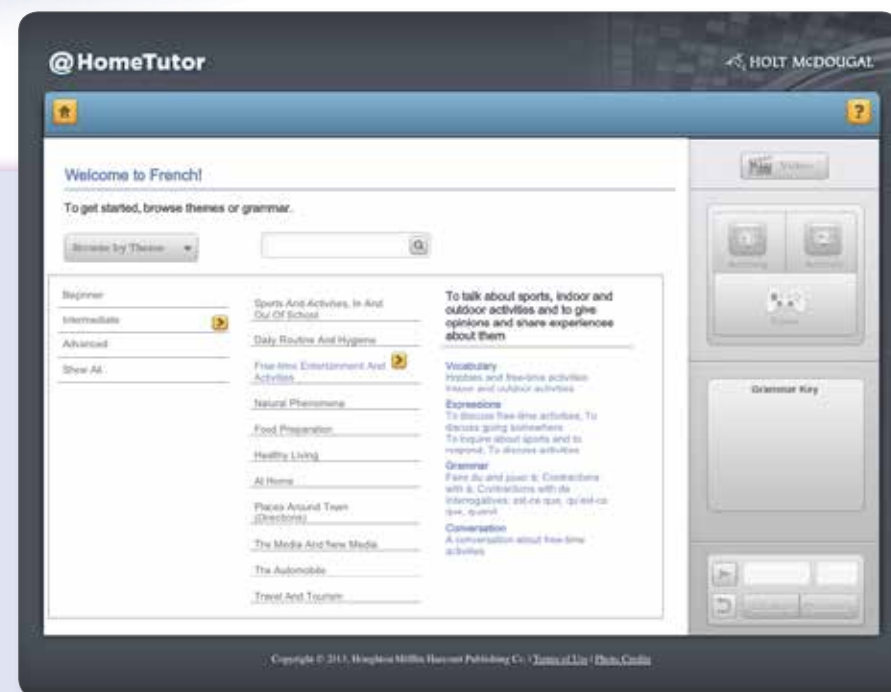

Differentiated activities help you personalize learning to support language acquisition for all students.

The **Spanish InterActive Reader** provides authentic and informational selections at **three levels of difficulty**.

@HomeTutor, accessed at point of use in the eBook, has activities at **three levels of difficulty** to sharpen students' skills.

Includes Animated Grammar, video clips, audio recording capability, audio flashcards, review games, and self-check exercises to reinforce reading, speaking, listening, and writing skills.

HMH Spanish Vocabulary App provides an engaging flashcard interface to help students retain Spanish words and phrases. Includes progress tracking and native-speaker audio that can be slowed down when needed.

Available for iPhone®

Search the App StoreSM for **HMH Spanish Vocabulary** and download the **free** version today.

Look for these additional point-of-use resources in the eBook to help students effectively employ the various modes of communication successfully.

- Grammar Tutor
- Vocabulary Practice
- Video/audio links
- ¡AvanzaRap!
- Grammar and Vocabulary Songs
- Audio Glossary

- To see available Student Resources, you must select the Unit or Lesson in the top drop-down menu.
- Access the Student eBook from the Book Pages tab.

Prepare students for **college** and **career**.

Digital tools and point-of-use activities in the Student eBook engage students and help deepen their understanding of the content.

The **Contents** icon allows you to navigate anywhere in the book with ease.

The **Student Resources** tab puts a wealth of resources at students' fingertips to support and enhance language learning and mastery of the TEKS.

Videos support the culture and language for each lesson and grow in sophistication across the levels.

The screenshot shows the 'Title Page' of the iAvancemos! Student eBook. The interface includes a top navigation bar with 'Go to Page', 'My Subscriptions', 'Home', 'Logout', and 'Help'. Below this is a unit selection dropdown set to 'Unidad 2: Argentina' and a 'Go!' button. The main content area displays a lesson titled 'Presentación de VOCABULARIO' with various interactive elements: audio clips, video thumbnails, and text exercises. A sidebar on the left contains navigation icons for Contents, Bookmarks, Notes, Page View, Search, and More. A 'My Notes' window is open at the top right, showing a list of notes and a 'Write your note here...' field.

Digital Annotation Tools, such as highlighting and note taking, encourage analysis and help prepare students for 21st-century learning.

Audio-based content models language and provides listening and pronunciation practice.

@HomeTutor helps students sharpen skills with practice activities at three levels of difficulty.

Embedded Practice Activities allow students to respond directly in the eBook and save to myNotebook.

Student Performance Space is a portfolio of students' work and more. Students can submit oral and written assignments, track their progress, and view teacher feedback.

TIP To see available Teacher Resources, you must select the Unit or Lesson in the top drop-down menu.
